WRASSLIN'

Starla Hughes, Chairman of the Board

What do you think of when you hear the word "wrestling"? Do you think of Jon Cena, Triple H, or any of the other stars of WWE? If so, we have an opportunity for you! No, you won't meet one of the stars of WWE, but you will experience the true sport of wrestling.

The Cougars Den Wrestling Club will be hosting an AAU wrestling tournament on February 11th. This tournament will allow children ages 4 – high school age an opportunity to compete and gain valuable experience and skills. The tournament is near and dear to two of our members. Jacob Miller is one of the Cougars Den coaches. Ross and Ryan Hughes, sons of Phillip & Starla Hughes, are members of the wrestling club and will be wrestling that day!

Volunteers are needed to help in various areas, such as concessions & admissions and are needed from 8 am until later in the afternoon (usually 6 or 7 pm). If you would be willing to help volunteer a few hours during the day, please contact Starla Hughes. You may email her at shughes@sharrardmcgee.com. Please make sure to include the time you are available. If you have experience with wrestling, let her know – there may be other activities that need to be filled by people knowledgeable about the sport.

DINING TOGETHER

Jessica McGee, Community Development Vice President

Beginning in February, we will be going out to dinner for fellowship and relationship-building purposes after the first meeting of every month. The first meeting of the month will begin early at 6:30pm to facilitate us going out together. We will have everyone write down a name of their favorite place to eat and we will then draw names to determine where we will eat. This leaves all the decision -making out of the process!

THE HUMAN RACE

Jessica McGee, Community Development Vice President

The Human Race is quickly approaching! The event will take place on **Saturday, March 24th** at Bicentennial Park from 9am until noon. We all do not need to participate in the walk/run, but I would like to get a team together of about 4 people to represent the Asheboro Jaycees. I would like to ask that everyone commit to raising money for the event, as we get to keep at least 75% of all monies we raise. I think it would be nice for us all to make \$100 each our personal goal. I handed out the donation form at our last membership meeting and will be doing so again at the February 13th meeting. Any help would be welcomed and greatly appreciated.

2012: THE YEAR WE GROW OUR CHAPTER!

Scott D. Hughes, Membership Vice President

Good February, Asheboro Jaycees! We've gotten 2012 off to a good start this year, and I look forward to seeing how much better we can get during the rest of the year. I wanted to take a few seconds to discuss one topic specifically with you, and that is **Recruiting New Members**.

I believe one of our greatest obligations is to help grow our organization. It brings fresh ideas and energy into our chapter, and helps make sure we preserve our legacy as the Asheboro Jaycees for future generations. I have no doubt, that as a chapter, when we put our minds to it, that we can double the size of our membership this year. Ambitious, some may say, but let's look at the numbers: That is only 20 new people, or 1.7 new members a month. We have some new programs and incentives in place, but we still need help from you guys, our members. I will be coming out with some new programs early this year, to help you in your efforts, but basically, if you have someone you feel would be a great fit as a Jaycee you should invite them to one of our events (a bowling night, other activity, or program at HQ) so they may get to know us a little better. And, by the way, when I say invite, I don't recommend you just ask them, and hope they show up, because life happens, and people will change their plans at the last second. I suggest you put them in the car with you, and bring them personally to the event.

I hope to be helping you out by providing little techniques you can use and tailor to your personality. I will be teaching a short class on some of these at a future meeting. If you have any questions, or concerns, or just need a little coaching, feel free to contact me. Also, if you have someone who may be interested, and you would like me or another board member to contact them, please don't hesitate to call me as well.

Good luck and I look forward to seeing you (and your guests) at our events.

Scott

SPIRITUAL DEVELOPMENT

Starla Hughes, Chairman of the Board

On February 12, 2012, the **Harvester's Quartet** will be in concert at Deep River Baptist Church. Please come out and enjoy a night of singing and fellowship with part of our Jaycee family. Phillip Hughes is the tenor singer of the group. The event will begin at 6:00 pm with refreshments being served afterward. Come experience our first spiritual development project of the year; after all "Faith in God gives meaning and purpose to human life."

If you can attend, please contact Starla Hughes at shughes@sharrardmcgee.com. Details concerning a time and place to meet for carpooling will be determined once we know how many will be going.

COSMIC GOLF

Starla Hughes, COB

Join us for a unique miniature golf experience! The Asheboro Jaycees will be heading to Randolph Mall to play indoor miniature golf (or “putt-putt”). What makes this experience unique, other than the fact that it is indoors, is that it is also in the dark (or black light). That definitely makes it interesting!

This family-friendly event will be on February 26 from 2-4pm. Cost is \$6.00 per person. Contact Starla to RSVP or for more information.

CUOC

Donations are needed for the Christian United Outreach Center. Items needed for the month of February 2012:

MACARONI AND CHEESE

Please donate each month to CUOC. This is a year-long project and you may bring the donated items to any board/membership meeting or project.

Mark your calendars for Thursday, March 1st. We will be attending the **Salvation Army Annual Dinner** at 6:30 p.m. at Russell’s Grove Baptist Church in Asheboro. Contact Aimee Scotton at acscotton@co.randolph.nc.us to reserve your seat!”

STRESS MANAGEMENT

Sara Manring, Individual Development Vice President

We are planning an educational series for February 27 entitled “**How to Deal With and Manage Stress in the Workplace.**” The presentation will be held at our membership meeting at NC Jaycees Headquarters at 7pm. The presenter will be Deborah Wade who is a Health Education Intern at the Randolph County Health Department.

Stress can be a good motivator but it can also be detrimental to your health. It’s difficult to change some situations but you can manage how you feel about them. Join us for this informative and health-related program. It is free and open to the public. Invite anyone who may benefit from learning how to deal with the daily pressures of work.

About Our Organization

The Asheboro Jaycees gives young adults the tools they need to build the bridges of success for themselves in the areas of business development, management skills, individual training, community service and international connections.

Every member has unique talents to offer and we provide them the freedom to contribute them in any way, from training other members to creatively using them in programs and projects.

The Asheboro Jaycees are part of the North Carolina State Jaycees and are affiliated with The United States Junior Chamber and Junior Chamber International. There are countless leadership opportunities for members at each of these levels. The state, national and international organizations support the local chapters around the globe, and provide training and tools to develop our members.
